**SolutionBankFraud.com** is **SolutionBANK.space**. The value benefit of the two patented copyright brand trademarked methods below prevent any infiltration of our databases using two 45 year old methods from NCSU Raleigh NC Computer Science experts of Keith Brent Duncan who has been almost murdered many times over the theft of HIS bank accounts, his homes and lifetime assets once Robert Dee ROSE and his cabal group of named 120 criminals destroyed and converted Keiths databases and intellectual property to other cyber criminal attacks against WE the PEOPLE and all of OUR USAGOV and foreign banks and communication infrastructures. Was always easy to buy the lowest level password of our databases and get a electronic back door known as Trojan Horse entry. The two simple methods below eliminate all Fraud departments and reveal WHO has stolen embezzled your money use of Evote.ONE FOIA.ONE once all trades are open public knowledge use of ProfitShareHOLDERS.com

Immediate use deployment of EVOTE.ONE FOIA.ONE results in most powerful transfer of over \$450 Trillion USD back to your community greatest places of mortal needs as YOUR work efforts pay for everything your entire working careers.

Combine ancient Greek/Italy/Silician Mobster with any Banker = Bankster.

**Dec 24, 2021.** I just called **MayerBrown.com** (312) 782-0600 requesting full coverage convictions of DuncanClaim.org record # of cyber terrorists linked to Robert Dee ROSE and my very own terrorist brother Douglas Vernon Duncan, Cary NC.

Any banker knows they can embezzle billions of our assets, invest in any commodity stock or criminal enterprise and hide the general ledger books so even the outside counsel lawyers and accountants would never see who got the criminal profits.

This is a basic \$50 to \$100 Trillion USD criminal enterprise that absolutely no one but Keith Duncan knows how to solve, prevent, and reverse use of the two simple 1976 NCSU methods of video based authentication authorization I learned known as bubble sort indexing of datasets. IID of **FOIA.ONE** showcases how to reverse GPS track any eDevice regardless of any firewall or TOR VPN forwarding masking. Never been done before on how to eliminate need for ALL insurance, ALL federal banks, All World Banks, All foreign exchange, all war machine Banksters who instigate all solutionMilitary.com wars.
