World Press Re-Release 2024 Feb 01.

Everyone, Please respond back with Acceptance or written Denial we ever existed.

Gifted SolutionBankFraud.com to reverse all cyber criminals for ever. KeithBrentDuncan.org info@fortuneONE.org procreator of all technology to unify +8 Billion WE GOD People who now all use GodsConstitution.org to purge our world of any and all violators use of PeaceSummit2020.com KeithsRulesOfOrder.com. All other solutions are top of perfected universal stabilizing common sense UNIocracy.org

Bill, We are the most humble Procreators of a new world no crime utopia UNIocracy.org

SolutionBankFraud.com is 1976 enforced 2 simple methods to reverse track any cyber attack and fraud since ALL criminals and terrorists hide after stealing any information and violating the rights of WE THE PEOPLE.

GREAT EXAMPLE is Bank Of America lost 60 BILLION USD last 2022 fiscal year to Cyber Terrorists. BOA earned 600 Billion USD in profits for manipulating OUR assets with loans, banker fees, transfer fees.

BOA and all other corporations always REFUSE to show their actual losses and HOW much CASH is transferred to themselves with Stock Options, Deferred Compensation, and corporate Executive bonuses that clearly including WRITE-OFFS for all business expenses like Corporate Aircrafts, vacations, Mansions, Staff, Luxury vehicles, literally EVERYTHING is tax free on the shoulders of WE THE PEOPLE profitSHAREholders.com

Reversed forever once REINVESTALL.com actions be 8 billion we the people transfer OUR cash out of all BANKS and back to ONLY local community CREDIT UNIONS.

BIGGER stabilizing is WE THE PEOPLE sell off ALL public traded stocks and move INVEST with ONLY privately held corporations so WE are the advisors and consultants to the executives of OUR PRODUCING corporate Executives when WE as ShareHOLDERS decide all compensation and benefit packages for our leaders as well as ourselves.

Most cyber crimes are considered victimless and therefore near impossible to put in Prison or even Death Row.

Odd that pornography cyber criminals are routinely put in prison for stalking young children yet people like Berny Madoff and Sam Bankman Fried and even Hillary Clinton (email fraud) cause billions, even TRILLIONS of USD damage to our economy and no one CARES about anyone

else except SELLING more products and services once they PAY the MEDIA to exploit the common sense vulnerability of WE THE PEOPLE.

The value of our patents exceeds \$350 Trillion USD restoration return to WE THE PEOPLE of greatest needs worldwide by rapid deployment of EVOTE.ONE so WE CHOOSE the NEXT BEST PROJECT, then WE PICK the best project manager consultant now highly paid in Cash (soon kBitCoins.org) as long as THEY complete each project under budget and on time. NEVER BEEN DONE BEFORE because the NWO criminal ruling elite have already taken over all control and authority we have PUBLIC shown at WorldWar4.org.

Even last night I updated client3635.wix.com/ww4 describing the Dark Ages caused by any terrorist group who claims they are justified in killing millions, even billions.

I refrain from attaching ANY safe PDF files or diagrams since SKYNET terminators and Corporate Executives just LOVE TO ALWAYS DENY we ever existed as #1 top world leaders of no crime UTOPIA FortuneONE.org UNllocracy.org

Includes tens of thousands of persons who personally know KNEW keith brent duncan from Atlanta GA Jan 2, 1982 forward.

includes HIGH TECH MINISTRIES .ORG. CEOSPACE.net and NSASpeakers.org

We are indeed %100 victims of Cyber Terrorists led by Robert DEE ROSE at DuncanCLAIM.org since NO ONE actually wants to ENFORCE any constitutional laws, I open published gifted

TeamMONEYmachine.com

and most deadly serious reversal of GODsConstitution.org. to replace ALL mad man made laws worldwide forever with EVOTE.ONE, 11 Gods Commandments, and 19 Bill of RIGHTS to ensure everyone is enforced integrity honest, trustworthy and ethical at all levels of MY NEW WORLD UNIOCRACY.org forever..
